ASSIGNMENT

WHEREAS, the undersigned, hereinafter referred to as Assignor, has invented
Gasket Assembly

For which Assignor is about to make United States application for patent; and

WHEREAS, Freudenberg-NOK, General Partnership, having a place of business at
47690 East Anchor Court, Plymouth, Michigan 48170, hereinafter referred to as Assignee is
desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby
acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee(s), its
successors in interest, the full and exclusive right in the United States of America and all foreign
countries, including the right to claim priority under the laws of the United States and the Paris
Convention, to the said invention as described in the specification executed by Assignor of even
date preparatory to filing a United States application for patent therefor, said invention and all
United States applications for patent and all Letters Patent therefor to be held and enjoyed by
Assignee(s) to the full end of the term for which said Letters Patent are granted and any
extensions thereof as fully and entirely as the same would have been held by Assignor had this
assignment and sale not been made; and Assignor hereby covenants and agrees to execute
all instruments or documents required or requested for the making and prosecution of United
States application for patent and all foreign countries on, for litigation regarding, or for the
purpose of protecting title to the said invention, the United States application for patent, or
Letters Patent therefor for the benefit of Assignee(s) without further or other compensation than
that above set forth; and Assignor hereby requests the Commissioner of Patents and
Trademarks to issue said Letters Patent of the United States of America to Assignee(s).
